Matters arising from the minutes

Mr K Brew advised the members that the notice board now has a broken pane. The clerk advised that she had spoken to Mr Roberts regarding the repairs to the back boards and he had promised to take and look and report back. The clerk is to chase this up for repairs to be undertaken as soon as possible. The clerk also advised the members that a resident from Glen Auldyn had called to the office to discuss the use of the Notice Board. He asked if it could be used again and offered to clear off the growth for us. The clerk advised she would speak with her members to see if this notice board could be returned to use. The members advised that it would be fine, so long as the clerk was happy to reinstate its use. The clerk will start using the notice board, once she has checked and cleaned up the inside.

Mrs Quane advised that she had not spoken to the person regarding the removal of the wreath currently on the War Memorial. The clerk also advised that she had not contacted the stonemason to check for re-pointing work required.

The clerk advised that she had chased again Bill Corlett who is to confirm if we are able to carry out work on the Millrace at Dale Lane.

Mrs Quane advised the members that she had reported potholes on the Churchtown Loop Road to Infrastructure. She then received a call from the Parish Warden. The potholes have now been filled in. Very good response.

The clerk advised that she had contacted the Golf Club, following the letter sent in relation to hedge cutting on the Crossags Lane. She also called Mrs Evans (Crossags Campsite) to update her on the situation. Mrs Evans had decided to engage a contractor herself. She also advised that she had spoken to the groundsman of the Golf Club who had advised her that they would pay the bill.

Matter resolved. It is a shame that the Golf Club did not contact us as requested.
