Matters arising from the minutes

The clerk advised the members that although she had contacted Mr Roberts regarding the notice board, he had still not reported back to her. There are no broken panes on the notice board. The clerk advised the members that she and Mrs Quane had oiled the locks and hinges, swept the inside and out of the notice boards which looked better. The clerk will chase again as we must get the inside boards replaced.

The members discussed the War Memorial. A quote had been given by Gregg Memorials outlining the work required which included some pointing, lettering required some work. Further assessment while undertaking the work would be carried out. The members discussed further the length of time that wreaths are left on after the Remembrance Service in November which causing staining. Perhaps something could be created that could be left permanently on the memorial. Mr Radcliffe proposed and Mr Brew seconded that we make enquiries and establish a policy with regard to the length of time that wreaths are left. Once this was sorted we could instruct the necessary work to be undertaken.

Mr Brew agreed to organise the Union Jack to be flown at the War Memorial on Sunday 8th November and Wednesday 11th November.
