

The minutes of Lezayre Parish Commissioners Meeting held on Thursday 3rd November 2016, at 7.00pm, The Community Hall, Clenagh Road, Sulby, Lezayre.

Members present: Mrs. V A Quane (Chairman), Mr K Brew (Vice Chairman), Mr J Teare, and Mr. A D Radcliffe and Miss V Radcliffe. Mrs M Rimmer the Clerk took the minutes. There were two members of the public and no members of the press in attendance.

The minutes of the previous meeting held on the 6th October 2016, having been circulated, were taken as read and signed as a correct record by the Chairman.

Matters arising from the minutes

The clerk advised that she had made enquiries regarding the Christmas tree for the village as requested. Trees are available from DEFA and Mr Dixon had given his permission to place a tree at Kella Mill if we wished. Following discussions the members agreed to purchase one 16ft tree which will be collected from the plantation and erected at Mr Caley's Store. Lights used last year on the tree at Mr Graham's house are to be collected and used on the tree at the shop.

The clerk was asked to chase up the issue of cutting back high branches on the Sulby Glen Road and the Kella Back Road.

Mr Teare made reference to an article in the local paper where a resident from Dalby had commented on our photograph of the television dumped on the Kella Road which had appeared last month in the Isle of Man Courier. They had commented on the cost of disposing items at the CA site and that these costs are a disincentive to bring items to the CA Site.

Miss Radcliffe enquired what was happening to the saplings growing on the Tholt y Wil Road. The clerk had enquired with the DOI and they had asked us to please deal with them. The clerk is to see if the Community service team could deal with this for us and Mr Brew suggested that perhaps the work could be carried out under a road closure. The clerk is to make the necessary enquiries with DOI and also speak with the Community Service leader.

Mr Teare advised that the pole with the mirror on opposite Ballacaley Road had not yet been corrected. The clerk is to chase this up.

Mrs Quane invited the public to speak. Mr and Mrs Dodd raised concerns regarding the safety of children walking along the road to Sulby School from Butterflies Nursery. Pavement has not been reinstated following an accident by Mrs McNally's house. Should the road have a temporary 20mph speed limit the same as the main road (TT course) during school times from the vehicle entrance to the school on the Sulby Glen Road, up to the Nursery? They also reported motorbikes pulling wheelies, which is very dangerous. Could the pavement and road be swept? The clerk was instructed to look into the various matters raised and to organise the sweeping of all pavements in the Parish.

The next meeting is set for Thursday 3rd November at 7pm.

There being no further business the chairman closed the meeting at 8.00pm.
